

Caulfield South Community House

Chitter, Chatter, Bubs

A morning tea held once a term to welcome new families and new members to the Community House. We encourage young families to bring their babies, stay for coffee and cake for an opportunity to meet and share stories with other families from our community.

We often invite presenters to talk and share their 'home business' or discuss topical challenges such as 'getting back into the workforce' or 'social media/IT organisation', worklife balance' or health and wellbeing opportunities etc, etc.

Call the office for our next Chitter, Chatter, Bubs day and topic of conversation. We would love to see as many new faces as possible!
