

Caulfield South Community House

COMPUTER ASSISTANCE 1on 1 PERSONAL HELP

A great place to start for computer novices or those looking to refresh their skills or learn new concepts!

Have you recently purchased a new laptop, Ipad or Iphone? No worries! Our experienced computer tutors will help you on your way, covering all the basics from setting up your phone to creating your files and email address.

Our tutors will give you the confidence you need to upload photos, try skype or assistance with security measures to pay bills over the internet.

**Assistance is arranged by appointment.
Cost: \$10.00 per hour**
