

Caulfield South Community House

COMPUTER ASSISTANCE 1 ON 1 HELP

A great place to start for computer novices or those looking to refresh their skills or learn new concepts!

New to computers? No worries! This class will set you on your way, covering all the basics from creating a file to checking your email. Our experienced volunteer tutors take you through all Microsoft Office applications, whether it be Word, Excel, PowerPoint or Apple, and show you how to save your work safely.

Participants also cover essential elements of the internet such as using a search engine and operating an email address.

Tuesday 9.30am – 11.30am
Thursday 9.30am – 11.30am
Cost: \$5.00 per session
