

QUALIFICATIONS OF OUR EARLY LEARNING CHILDCARE SERVICES EDUCATORS

All Early Learning Childcare Services educators have appropriate qualifications as per regulation 25 of the Children's Services Regulations 2009.

Staff/children ratios are in accordance with regulation 55 (2) of the Children's Services Act 1996 Limited Hours Type 2 Service.

Our **Early Learning Childcare Services** Programs are developed and delivered by a Bachelor of Early Learning educator and a Diploma trained Early Learning Childcare Services educator.

Our **Pre-School Programs** are developed and delivered by a Bachelor of Early Learning educator.

The Community House is fortunate to attract students from various learning institutes to undergo their qualifications and training and we provide our centre to undertake their placement hours.

We also provide qualified volunteers who are offered the opportunity to assist and care for our children during the programs.

All assistants, students and volunteers obtain a 'Working with Children's Check' and/or Police Check, and attend First Aid Training.

We pride ourselves on ensuring qualified, passionate and considerate educators are employed to care and nurture our children.
